Our host will be Marlene Willis of Hole's Greenhouses.

Spring is here and Hole's Greenhouses is very busy gearing up for the annual re-opening of their retail store. Come and see what is happening behind the scene at Hole's Greenhouses!

Marlene will take us to areas of the greenhouses that are not open to the general public.

We will learn how all the Hole's staff work together to grow five million plants every year, plus how systems and facilities at Hole's are improved each year, by taking advantage of the latest technology.

There are a number of automated machineries that will be operating. You will have the opportunity to ask questions on gardening and learn all you need to know about the five million plants grown each year at Hole's.

The Edmonton Association for Bright Children (EABC) is the Edmonton chapter of the Alberta Associations for Bright Children (AABC). EABC is a volunteer organization of families that provides activities, resources and support for bright children and their families. Membership is open to all.
