Our host will be Kevin Cantelon

Kevin will do a behind the scenes guided tour of the museum with the students. Students are offered the opportunity to experience and learn about Alberta's story as told by Kevin. By walking in the footsteps of museum staff, Kevin Cantelon, students will have the way they look at their community, their province and themselves changed forever. To capture the experience, students will bring sketch books and journals as we will spend time at the collection room, where Kevin says every item in the collection room tells a story of the province of Alberta. Get ready for a fun day on September 15th!!
