E-mail: kin.leong@proforma.com or phone 463-1618

Presenter: Gerhard Teubert

Would you like to learn how to take great photos? Have you ever wondered why some photos you have taken look better than the others? What is the secret of taking great photos?

Come to this session and learn all you need to know about taking great photos!

Gerhard Teubert has been taking photos for many years and he will show us the basics of taking great photos. He will discuss composition and lighting and share with us some of the nice pictures he has taken in and around Edmonton.

Gerhard will have a lively discussion with the students, followed by a Questions & Answers period. Students are encouraged to bring their own cameras and share their best photos with other students.

The Edmonton Association for Bright Children (EABC) is the Edmonton chapter of the Alberta Associations for Bright Children (AABC). EABC is a volunteer organization of families that provides activities, resources and support for bright children and their families. Membership is open to all.
