The Edmonton Association for Bright Children Preschool Group is having one last event before summer.

If your child is interested in painting, we are having a workshop with a Strathcona Artist Guild member, who will be teaching the children how to do a monotype print.

The Edmonton Association for Bright Children (EABC) is the Edmonton chapter of the Alberta Associations for Bright Children (AABC). EABC is a volunteer organization of families that provides activities, resources and support for bright children and their families. Membership is open to all.
