The EABC Preschool Group is holding an event for children ages 3 through grade 2.

Discover how birds, insects, plants and pond life awaken to Spring! Children can match birds to their nests; look for walking sticks and other insects camouflaged in their environment; find live insects and other creatures in our pond; learn about different plant families; and plant some summer-flowering bulbs.

This theme is enhanced with puppets, puzzles, dress-up costumes and more! Museum staff, with assistance of the group leader, will lead these activities.

The session will last for one hour.

Please register by Friday, May 28, 2004.

The Edmonton Association for Bright Children (EABC) is the Edmonton chapter of the Alberta Associations for Bright Children (AABC). EABC is a volunteer organization of families that provides activities, resources and support for bright children and their families. Membership is open to all.
