### Bridges

Date: Saturday, February 25, 2006 (Please preregister by Wed. Feb. 22)  
Time: 10:00 a.m. to 11:30 a.m.  
Location: Sun Room, Alberta School for the Deaf, 6240 - 113 Street, Edmonton  
Cost: There is **no cost** for this event.

Why did the bridge cross the road? To get all kinds of stuff to the other side, of course!

What makes a good bridge strong? What kinds of bridges are there? Which ones work best for different situations? What materials can make a bridge? How long do bridges last? Who makes bridges, and how can YOU become one of those really cool people? Bring your questions and come find out! Bruce Moisey, bridge-dude extraordinaire and Vice President of Alberco, will clue us in on what it takes to get a bridge on its feet, er, footings.
