### Mister Golden Sun

Date: Saturday, September 24, 2004 (Please preregister by Wednesday the 21st)  
Time: 2:00 p.m. to 3:00 p.m.  
Location: Telus World of Science, 11211 142 Street, Edmonton  
Cost: There is **no cost** for this event. You must be a member of EABC or an affiliate.

Remember David Roles from Peekin' at the Planets last year? He was the guy with all those amazing slides of the solar system. Well, we were lucky enough to bring him back! And guess what, this time around he has a hydrogen-alpha telescope. "What does that mean to me?" you ask? It means we get to get up close and personal with the SUN, looking at it in white light and hydrogen-alpha. If the weather doesn't cooperate, we get to see some more of those fabulous slides.

If all is sunny, meet at the Observatory Deck. In case of inclement weather, meet at the Telus World of Science entrance. Dress for the weather.
