These events are open to **members** of EABC or an AABC affiliate.

Unless otherwise noted, pre-registration is required for all events. Register by contacting
Deborah Paquette: supersaturday@edmontonabc.org or 939-2722

Think Outside the MATH Crate

Date: Friday, April 21, 2006 (Please preregister by Tues. April 18)
Time: 4:30 p.m. to 6:30 p.m.
Location: Sun Room, Alberta School for the Deaf, 6240 - 113 Street, Edmonton
Cost: There is **no cost** for this event but you must be a member.

For all those who had an awesome time the last time we brought in crates from Science Alberta, or who wish they'd been there: we're doing it again! Only this time we've got a math theme going. Descriptions from the Science Alberta website
<http://www.sciencealberta.org> :

Big Equation:

Explore math used to solve problems. Apply concepts of three dimensional geometry and area to design a building and determine materials required. Use measurement and graphing skills to determine the height of an unknown person. Sponsored by The Actuarial Foundation. For grades 7, 8, and 9.

Math-a-Magic:

Experience math as it relates to everyday life. Explore activities that solve practical problems. Have fun with puzzles as you learn about logic, geometry and probability. Sponsored by Chevron Canada Resources. For grades 1-6.

Kids, be sure to bring a parent along! The crate activities run much more smoothly with an adult helping.

The Edmonton Association for Bright Children (EABC) is the Edmonton chapter of the Alberta Associations for Bright Children (AABC). EABC is a volunteer organization of families that provides activities, resources and support for bright children and their families. Membership is open to all.
